**Topic: Success and Learning Disabilities**

**Guest Speaker: Dr. Ken Kwan, Ph. D., RMFT, C.Psych.**

Learn about overcoming the challenges of learning disabilities for children and adults from someone who understands firsthand the keys to success. Dr. Kwan, Executive Director of the Oshawa Psychological Clinic, not only counsels children, adolescents, adults, couples, and families, but is an adult with LD. His topic will include the effects of a learning disability on the person and the impact on the other family members and the challenges that the parent/care giver might face. He will give an overview regarding family dynamics, teacher assistance and a team approach.

Free registration at any Library branch.
